4 construction, alteration or repair of any public building or public work
5 of the state or of any subdivision thereof shall include a provision that
6 the person to perform the contract shall furnish to the state or the
7 subdivision on or before the award date, a bond in the amount of the
8 contract which shall be binding upon the award of the contract to that
9 person, with a surety or sureties satisfactory to the officer awarding
10 the contract, for the protection of persons supplying labor or materials
11 in the prosecution of the work provided for in the contract for the use
12 of each such person, provided no such bond shall be required to be
13 furnished (1) in relation to any general bid in which the total estimated
14 cost of labor and materials under the contract with respect to which
15 such general bid is submitted is less than fifty thousand dollars, (2) in

18 submitted is less than fifty thousand dollars, or (3) in relation to any
19 general bid or sub-bid submitted by a consultant, as defined in section
20 4b-55. Any such bond furnished shall have as principal the name of the
21 person awarded the contract.

22 (b) Nothing in this section or sections 49-41a to 49-43, inclusive,
23 shall be construed to limit the authority of any contracting officer to
24 require a performance bond or other security in addition to the bond
25 referred to in subsection (a) of this section, except that no such officer
26 shall require a performance bond in relation to any general bid in

35 thereof that requires a person to supply the state or subdivision with a
36 bond may include a provision that requires the person to obtain the
37 bond from a specific surety, agent, broker or producer. No contracting
38 officer may require that a bond be obtained from a specific surety,
39 agent, broker or producer.

40 (d) Each governmental agency which enters into a contract under
41 this section and fails or neglects to obtain delivery from the contractor
42 of the bond required by this section shall, upon the demand of any
43 person who has not been paid by the contractor for labor or materials
44 supplied in the performance of the work under the contract, promptly
